## **THANK YOU, MOUNTAIN VISTA COMMUNITY!**

As the end of the year closes, The Mountain Vista PTO would like to say a huge THANK YOU to all the parents and volunteers who helped our school with events and donations throughout the year! Your support has helped the children of Mountain Vista by providing field trip bus funding, the installation of a PTO shed to house event decorations and PTO equipment, and fund a Teacher Aid to assist at recesses and lunches for all grades. This year was incredibly successful because of all of you and your support!

Please be on the lookout for communications on the Facebook page over the summer!

Thank you,

## **Don't Wait Until Back to School Time for Back to School Shots!**

The next school year will be here before you know it, so skip the back to school rush and come see us during summer break! Tri-County Health Department has appointments and walk-in clinics all summer long for school-required and recommended vaccines. We even have clinics on Saturdays! Even students that are up-to-date on vaccines may need additional vaccines before kindergarten and sixth grade, and you don't need to wait until school starts to get them! Not sure if your child needs vaccines? Call your child's regular health care provider or call the Tri-County Immunization Line at 303-451-0123 to ask about your child's record or to schedule an appointment.
